THE UNDERGRADUATE ADVISEMENT REPORT

The Advisement Report is for Advising purposes only. It is not an official record. Federal law prohibits transmittal to a third party. Report questions or concerns to the Office of the Registrar. (RG-50002)

△ **ALEKS SCORE: 63**

△ **GOOD ACADEMIC STANDING**

COURSES IN PROGRESS

[Not Satisfied]: Incomplete, research continued and in-progress courses must be graded before a degree will be granted. In-Progress courses show as satisfying program requirements. Courses not completed successfully will move to Elective Courses/Courses Not Used.

CAUTION: courses REPEATED for a better grade temporarily inflate unit/course counts and can displace required courses until the repeat course is graded. (RG-50003/RQ-51178)
